Sisyrinchium bellum

Coast poppy, *Eschscholzia*
californica var. *maritima*

Sky lupine, *Lupinus nanus*

Sea pinks, *Armeria maritima*
ssp. *Californica*

Connecting with Nature on Fiscalini Ranch Preserve

Although Friends of the Fiscalini Ranch Preserve had to cancel this year's annual Cambria Wildflower Show, nothing stops the flowers from blooming on the Ranch. Here is a guide to a few of our local beauties you can see today. The Ranch is home to more than 260 different California native plants, some of which are found only within our state.

– Kitty Connolly, Executive Director, FFRP
