

Connecting with Nature on Fiscalini Ranch Preserve: Wear Your Support!

By KITTY CONNOLLY, Executive Director, Friends of the Fiscalini Ranch Preserve (fiscaliniranchpreserve.org)

Can you believe it's been nearly 200 days the County issued its shelter-at-home order? (Some days, it feels like 200 months!) Our store and office have been closed all that time but with the County entering Phase II, we are re-opening.

Friends of the Fiscalini Ranch Preserve's office is at 604D Main Street, between Sandy's Deli and Maddie Mae's Pet Pantry. For now, the office will be open from 11 to 2 on Thursdays and Saturdays.

Even while we were closed, we were not idle. In dark times we decided to add a bit of color to our line of products. We expanded baseball cap options with lively terra cotta and striking stone/black. All colors \$22.

Our classic gray tee shirt and hoodies featuring Judy Lyon's

watercolor is now complemented with a line of FFRP logo shirts. We are offering 100% cotton short-sleeve shirts for \$20 in lagoon aqua, monarch gold, and bay green, plus a long-sleeve shirt in ice blue for \$30. All come in unisex sizes from S-XXL.

With winter rains hopefully on their way, it is time to think about fall planting. For gardeners, we have our native plant flashcards and now two custom wildflower seed mixes. One mix is Cambria coastal favorites so you can grow a bit of the Ranch at home. The other is a mix for Central Valley gardens for inland visitors.

If you prefer not to come to the store, you can shop online and we will arrange for free in-store pick up. fiscaliniranchpreserve.org/store/
